

The Gold Coast City Council website has some great information about services and events happening over the holidays. Google <https://www.goldcoast.qld.gov.au/community> to have a look around and jump into some of the sites below.

### Beach access

The City provides and supports a range of initiatives to increase access to our beaches. This includes accessible viewing platforms, beach matting and beach wheelchairs.

For more information please visit our [Beach access](#) page.

### Changing Places - toilets

The City has installed Changing Places toilets and adult-sized changing facilities at locations around the Gold Coast. These toilets have wider doorways, an adjustable height change table and a ceiling tracking hoist and shower.

For more information please visit our [Changing Places - toilets](#) page.

### Mobility maps

Our mobility maps provide accessibility information to assist residents and visitors to plan their stay and move around the city safely.

For more information please visit our [Mobility maps](#) page.

### Accessible programs and activities

There is a range of programs and activities on offer in our city. For more information visit our [Accessible programs and activities](#) page.

### Draft Accessible and Inclusive City Action Plan 2020-2025

The City has developed a new draft Accessible and Inclusive City Action Plan (AICAP) 2020-2025 to ensure that we continue to meet the needs of people with disability, their friends, families, carers and seniors.

To have your say on the plan visit our [AICAP](#) page.
