Our Youth Development Experience Program offers lots of fun activities to keep children engaged and entertained during school holidays.

About our Program

- Each day of the program offers new activities and experiences for all children attending. Activities have been developed with NDIS goals in mind and are designed to encourage all attendees to have an amazing time and make some great new friends!
- We have fantastic fully qualified support staff, who all have current Medication Administration Training, Advanced First Aid and CPR, and Blue and Yellow Cards.

Coomera State Special School

**Incursion:
Tuesday 30th September - Foam
Party**

Program Time

9am to 3pm (8am drop off and 4pm pick up available on request)

Participant Age Requirements

Must be aged between 5 and 18 AND currently attending school

Medication

If your child needs us to administer medication during their time at the program, then a medication management chart will need to be completed and returned before the program starts.

Cost

Costs for supports provided are generally claimed through NDIS funding. In addition to the support costs there is a small out of pocket fee charged for each day which depends on whether or not you would like food provided for your child on the day. This additional cost is not claimable under NDIS funding.

Other important info

This program is suitable for children who can be supported in a group environment. If at any stage you need to cancel or amend your booking, please ensure you allow adequate time for the change to be made. Details of required notice periods are outlined in your Service Agreement.
